AND HAPPY NEW YEAR

Friendship and Anti Bullying Week

During Friendship and Anti Bullying Week, all our pupils were involved in activities to learn about building positive relationships. Pupils worked with friends from other classes and local primary schools to develop communication and friendship skills.

Our primary pupils developed their turn taking, sharing and communication skills.

Our senior and Sixth Form pupils took part in activities, which involved cooperation, listening and team building.

Expressive Arts Week

Our EYFS and primary children 'wowed' their audiences with a wonderful Christmas Nativity. It was lovely to welcome parents to our Willow Campus.

Our wonderful choir made their debut at the Winter Gardens for the Blackpool Music Service's Annual Christmas Festival.

We were very proud this term when our Sixth Form and senior students performed at the Winter Gardens in front of a huge audience. You were all amazing!

Sixth Form H have taken part in volunteering activities at Christ Church, Thornton. They helped to clear the leaves from the church grounds; set tables for evening groups and put food parcels together for people who were too poorly to go to the shops.

Red Marsh Christmas Dash

A huge thank you to all our parents, carers and friends who sponsored our pupils to take part in the Red Marsh Christmas Dash. All monies raised will go towards equipment for our outdoor areas.

We raised over £900!

Thank you

Well done to all the pupils who have achieved their reading/sharing certificates. This is for reading/sharing books at home with their families.

All pupils have worked very hard this half term, meeting many of their personalised targets through our exciting curriculum.

I am, as always, extremely proud of all the pupils and staff at Red Marsh School. School reopens for pupils on Tuesday 9th January 2024

Enjoy spending time with your families this holiday.

Thank you for your continued support.

Website

We have launched our brand new school website. We are hoping this will be more accessible for parents and carers to find information and reflect the recent changes to our wonderful school.

Communication Home

Parent App has now ceased. All Communications from the school office will now be through the School Spider App.

Showbie will continue in the New Year for home learning and home-school diary communications.

Facebook

As well as our information letters and newsletters, the school has an information page on Facebook, which is updated regularly. We appreciate parents taking the time to like our posts and make positive comments. However, it is important to note that Facebook is not a means of communicating with school. The purpose of our Facebook page is to provide information about school. Our Facebook page can be easily accessed through a smartphone or directly through the school website home page www.redmarsh.lancs.sch.uk.
