09th June 2017

Dear Parents and Carers,

Parental Questionnaire

Every year you are asked to complete a parental questionnaire. We are delighted to share that a 100% of responses strongly agree or agree that:

- Their child enjoys school
- They felt welcome in school
- The school takes into account of my questions, suggestions and concerns
- The school works in close partnership
- Their child is safe and well cared for in school
- The school values my child's views/opinions
- Their child is not bullied or harassed at school
- The school is well led and managed
- Their child is treated fairly
- The school addresses their child's particular needs
- The school has a caring attitude
- Parents/carers knew what their child's targets were
- The school has a good reputation
- They would recommend this school to a friend

The following actions were identified as areas to develop:

- 1) Continue to offer extra- curricular activities for our pupils
- 2) To continue to work with all of our children to help them understand how to improve and develop their skills.

Invitation to come into school for a Coffee and a Chat

Coffee and a Chat is an informal opportunity to come into school to meet with other parents, carers and grandparents. Coffee and a Chat aims to provide a range of information to support families. On Tuesday 13th June at 13:15 we welcome Jill Bundy to present our Wellbeing workshop.

Science Week

We are all looking forward to science week which begins on Monday 12th June.

Sports Day

Weather permitting; sports days will take place on Tuesday 27th June and Tuesday 04th July. Please come along and support our sports days, the times for each class are listed below:

Tuesday 27th June

Rainbow Room	09:40
Primary Blue	10:30
Primary Red	11:20

Tuesday 04th July

Green Class	Tuesday morning*
Senior Blue	Tuesday morning*
Senior Red	Tuesday morning*

*Times for individual pupils will be confirmed via the school diary.

FE Ball

The Further Education department will be hosting our annual Leavers' Ball. The students who are leaving school this year wish to invite all of their friends in Senior Red, FE1 and FE2. If your child is in one of these classes they are invited to dress up and come to the leavers' ball on Wednesday 19th July from 6:00 – 8:00pm. During this time the students will be supervised by the staff, enjoy a disco and have refreshments. All students are asked to provide a donation of £2.00 to cover costs. Parents will need to drop off and collect their child. Last year the students had a wonderful time and the evening was a great success.

Assembly for FE Leavers

This year we have eight FE students leaving school. Parents, grandparents and friends of the students who are leaving are invited to a tea party followed by a leavers' assembly on Tuesday 18th July from 2.00pm. The afternoon is a time to celebrate these young peoples' achievements and to wish them well for their future. Look out for your invitation.

Online Safety

We have been teaching the children that if they feel worried, scared or upset by something they see or hear on line they must tell a trusted adult. This is one of our online safety rules. Please talk to your children about this important rule.

Sun Cream

As it is the summer term and the sun may shine! Please ensure your child is safe in the sun by sending into school a bottle of sun cream labelled with your child's name and a named sun hat. Please do not send in any sun cream which contains nuts for example, coconut sun cream. This is very important as we have children and staff who are allergic to nuts. Thank you for your support.

Best Wishes

Catherine
