Dear Parents/Carers,

Re: Coronavirus concerns

As you are aware we take the health and safety of all our pupils and staff very seriously and are therefore following guidance from Public Health England and the daily updates from the Department for Education regarding Coronavirus.

To view the UK government advice for childcare and educational settings see gov.uk/government/publications/guidance-to-educational-settings-about-covid-19. You can also find out more information by visiting NHS UK. If you are concerned that you or your child has any symptoms you should call 111 for advice.

At the present time the advice from Public Health England and the Department of Education is for schools to remain open. If this situation changes we will inform you as soon as possible.

Yours sincerely,

Catherine Dellow

Head Teacher
