Dear Parents/Carers,

Re: Coronavirus

Following the recent government announcement on the status of special schools, Red Marsh has to now consider how to follow the given advice. We are sure that you will understand that there is much to consider. As such, we, as a school, wish to make informed decisions. So, may we please ask for your patience at this time. Thank-you for your support. As you know we have, as always, our students' best interests at the heart of every decision we make. We are trying our utmost to provide you with all the information you require. Please take care of yourselves and your families. Further updates will follow.

Yours sincerely,

Catherine Dellow
