Safeguarding

Safeguarding pupils and the reporting of safeguarding issues is a highly sensitive issue, however this does form part of the local authority arrangements with regard to safeguarding and there is a need for vigilance. At Red Marsh School the Senior Leadership Team liaise with agencies such as social care, health, police and young people's services to ensure all services are in place to support vulnerable pupils.

All staff at Red Marsh School receive regular safeguarding training and all new staff are inducted. All staff are also inducted in the Lancashire Guidance for Safer Working Practice. All students and volunteers receive safeguarding advice before starting their placement.

The Senior Leadership Team have regular training regarding their designated senior role. In addition the senior leadership team and some Governors have safer recruitment training. All staff and volunteers have been checked with the Disclosure and Barring Service and a single central record is kept of those checks.

The local authority places a duty on the Designated Senior Leads to report any suspected or obvious signs of neglect or abuse to social care.

If you have any concerns regarding any aspect of safeguarding in our school community, please contact the following;

Designated Safeguarding Leads (DSL) - Catherine Dellow (Headteacher)
head@redmarsh.lancs.sch.uk

Deputy Designated Safeguarding Lead (DSL) - Alison Brown (Deputy Headteacher)
deputy@redmarsh.lancs.sch.uk

Deputy Designated Safeguarding Lead (DSL) - Jenny Slater (Assistant Headteacher)
J.slater@redmarsh.lancs.sch.uk

Safeguarding Governor- Pat Naylor (Chair of Governors) C/o Red Marsh School

Procedures are in place in school to ensure any act that may cause a safeguarding issue is properly reported and investigated. In addition there is a culture of support and vigilance in school to ensure pupils and staff work in a safe environment.
