Single Equality Scheme 2021-22		
	Objective	Evaluation and Date Completed
Narrowing the Gap	To respond to data analysis identifying any GAPS in attainment and addressing these through the school development and improvement plan	Achieved. Summer 2022
	To respond to whole school data analysis identifying any gaps for Looked After Children compared to their peers and report Looked After Childrens' progress to governors annually	LAC data is shared termly with governors and data responded to ensure any potential gaps are narrowed – Achieved Summer 2022
Fostering Good Relations	To widen outreach work within the local community to continue the sharing of good practice in order to enhance SEND provision	Following covid we continue to build back our outreach work, see outreach report attached to headteacher report.
	To raise awareness of disability and build positive relationships between groups of pupils/students from the local community by strengthening inclusion	With the lifting of restrictions two inclusion opportunities have been developed with Baines Endowed Primary School and Great Arley School
Further actions	To ensure equality of opportunity for all pupils by ensuring effective transition procedures / information is shared effectively when pupils move class	Achieved - For EYFS and Primary and Secondary pupils for all areas with the exception of PSD which is still being developed

Single Equality Scheme 2022-23		
	Objective	Time scale
