

Following a consultation with parents and carers about their feelings regarding homework, the following policy has been adopted by Red Marsh School.

Red Marsh School is committed to home school learning and recognises the huge benefits this brings to pupil progress and achievement.

### **Homework at Red Marsh School comprises of:**

#### **Personalised Learning Intention Targets**

Parents and carers are encouraged to help their child work towards their Personalised Learning Intention Targets.

#### **Termly curriculum maps outlining the learning that will take place in the class**

Parents and carers are encouraged to help their child learn about aspects of the class curriculum as shown on the curriculum map. The pupil can then bring work or objects into class so their learning can be shared.

#### **Reading for Pleasure EYFS-Year 11**

Each week, pupils will be supported to have the exciting opportunity to select a book of their own choice to take home for the week. We encourage parents/ carers to read/share this book with their child over the week. As Reading/sharing a variety of books encourages a love of books, exposing pupils to language and vocabulary helping to develop communication and understanding.

#### **Phonics matched Reading EYFS-Year 11**

For pupils working at Phase 2 set 1 or above. An EBook is assigned to each pupil, this book has been carefully matched to each pupils current reading level to support each pupil to develop fluency and confidence in reading.

#### **Additional Homework**

Throughout school homework may also be sent home to reinforce specific learning e.g. spelling patterns, where a teacher feels additional work would benefit the pupil.

#### **Guidance**

Guidance on completing homework will be provided to parents/carers by each class teacher. Any parent or carer who requires support with helping their child with homework can contact their child's teacher through the home school diary or by ringing the school office telephone number 01253 868451.
