

## School Improvement

At Red Marsh School we are always striving to provide high quality teaching and learning in an environment where our pupils are cared for, valued and respected. One of this year's school improvement focuses has been to enhance our adaptive teaching in a creative way.

We are proud that all our pupils are involved in all aspects of our broad, balanced and stimulating curriculum highly personalised and ambitious to meet individual need.

Self and co regulation is an important part of our school day as It helps the pupils settle to learn and work on their personalised targets.

It has been such a busy week for some of our senior and sixth form students. On Monday, our students wowed audiences by performing a dance at the tower ballroom. On Wednesday, pupils visited the AO Arena in Manchester to take part in the largest school choir concert in the World.

A huge thank you to all the parents, PTFA and the local community who have helped us to fund raise for our new playgrounds at Willow Campus. The children are delighted with their new outdoor area.

All the pupils across school have worked very hard this half term.

The pupils who have performed throughout the week at the Tower Ballroom and the AO arena have blown me away with their confidence, resilience and enthusiasm.

I am one very proud head teacher

I hope everyone has a lovely half term break and I look forward to welcoming all the pupils back to school on Monday 19<sup>th</sup> February 2024

Thank you for your continued support.

### Website

We have launched our brand new school website. We are hoping this will be more accessible for parents and carers to find information and reflect the recent changes to our wonderful school.

### Communication Home

**Parent App has now ceased.** All Communications from the school office will now be through the School Spider App. Thank you to all the parents who are using this APP to communicate with the school office

Showbie will continue for home learning and home-school diary communications.

### Facebook

As well as our information letters and newsletters, the school has an information page on Facebook, which is updated regularly. We appreciate parents taking the time to like our posts and make positive comments. However, it is important to note that Facebook is not a means of communicating with school. The purpose of our Facebook page is to provide information about school. Our Facebook page can be easily accessed through a smartphone or directly through the school website home page [www.redmarsh.lancs.sch.uk](http://www.redmarsh.lancs.sch.uk).

World Book Day for all pupils will be on Thursday 7th March. This year's theme will be 'Traditional Tales'. We are inviting all the pupils to dress up as a character of their choice linked to a Traditional Tale. We have planned a very exciting week, which includes visits to the library; a theatre workshop and a 'Brew, Book and a Biscuit' Evening for parents.
