Our New School Values

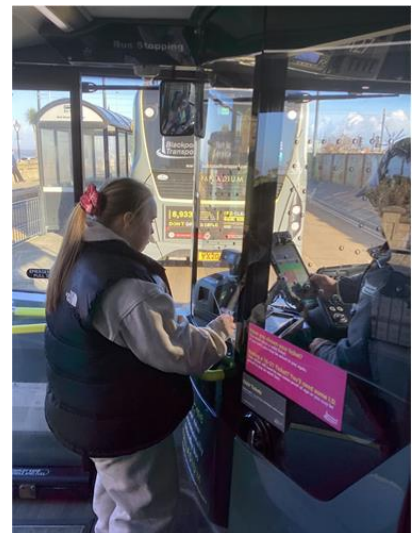

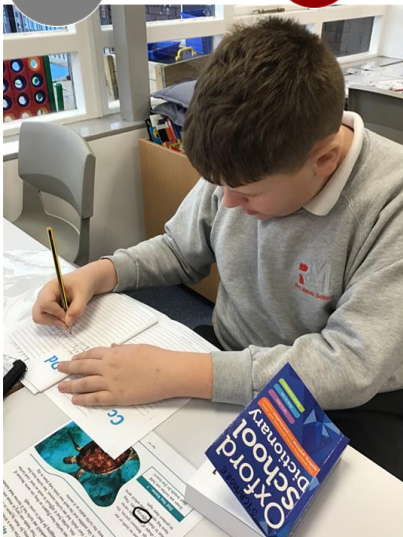

Our school values form the foundation of everything we do at our very special school:

Ambitious. Resilient. Creative. Bespoke

At Red Marsh School we strive to inspire our pupils to be ambitious, resilient and creative all through our bespoke curriculum.

Ambition

At Red Marsh School, we uphold high expectations for all our pupils, creating an environment where each pupil strives to achieve their personalised goals. We promote a culture of continuous growth and development.

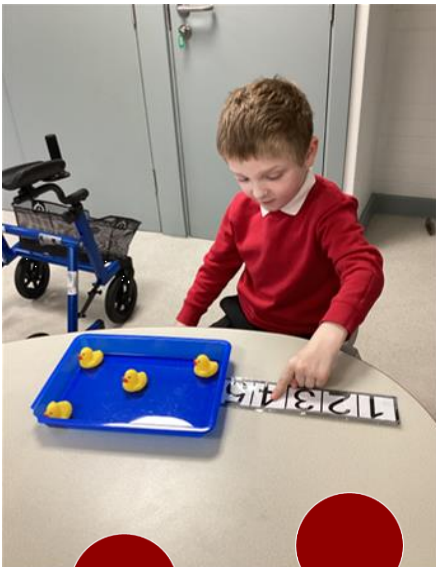

At Red Marsh School, we empower and support pupils to build the skills necessary to overcome personalised challenges and flourish.

Resilient

Creative

At Red Marsh School, our creative and adaptive teaching strategies allows teachers to implement a variety of approaches. By engaging pupils and making learning fun, we create a more enjoyable learning experience.

Bespoke

At Red Marsh School, our personalised approach is specifically tailored to meet the individual needs, interests and learning styles of each pupil.

It has been such a busy week for some of our senior and sixth form students. On Friday, pupils visited the CO-OP arena in Manchester to take part in the largest school choir concert in the World and on Monday, our students wowed audiences by performing a dance at the Tower Ballroom.

All the pupils across school have worked very hard this half term.

The pupils who have performed throughout the week at the Tower Ballroom and the CO-OP arena have blown me away with their confidence, resilience and enthusiasm.

I am one very proud head teacher

I hope everyone has a lovely half term break and I look forward to welcoming all the pupils back to school on 24th February 2025

Thank you for your continued support.
